How can the political system keep "The Orange One" under control?

1. Do research on one of the branches of government. What is the function of this branch? What part can it play in controlling the President?

2. Come together with experts of the two other branches.

3. Together, figure out, what the system can do to keep the President on a leash.

4. Remake the linked PADLET. Use it to visualize your findings. **https://padlet.com/mr_schenk/cfmpf021lqk4**

5. Present your results in class.
